

Ireland Castles & Manor Houses

Last month we issued a map of the Castles and Manor Houses in the UK. This month we are in Ireland, home to some of the most beautiful stately homes and castles - just keep an eye out for the ghosts said to be wandering the ground of some of these grand properties.

1. IRE - Abbeyglen Castle Hotel

10. IRE - Mount Falcon Estate
Manor House, Ballina
11. IRE - Mount Juliet Estate
Manor House, County Kilkenny

Ireland's Most Haunted Castles

There are a number of ghosts said to be lurking around the castles of the Emerald Isle. Ballygally Castle in Antrim have a ghost room set aside for the ghost of Lady Isabella Shaw and in County Clare, the Leamaneh Castle is said to be haunted by 'Red Mary', a woman believed to have been sealed alive in a hollow tree trunk by locals.
